I live within the 500' of the  
proposed Sprint PCS facility.  
I have questions concerning this  
PCS facility.

1. Are there any potential health  
risks associated with the  
tower ie birth defects, cancer
2. How will this tower effect  
TV reception - telephone, appliances
3. How safe are these structures  
as so close to the YMCA - &  
so many children on the field
4. What will this structure  
look like as well be in  
our backyards.
5. What complaints have other  
areas had concerning the  
90 tower. Lower house values?

Thank you.
